

Community-Sourced Risk Intelligence

Request Help

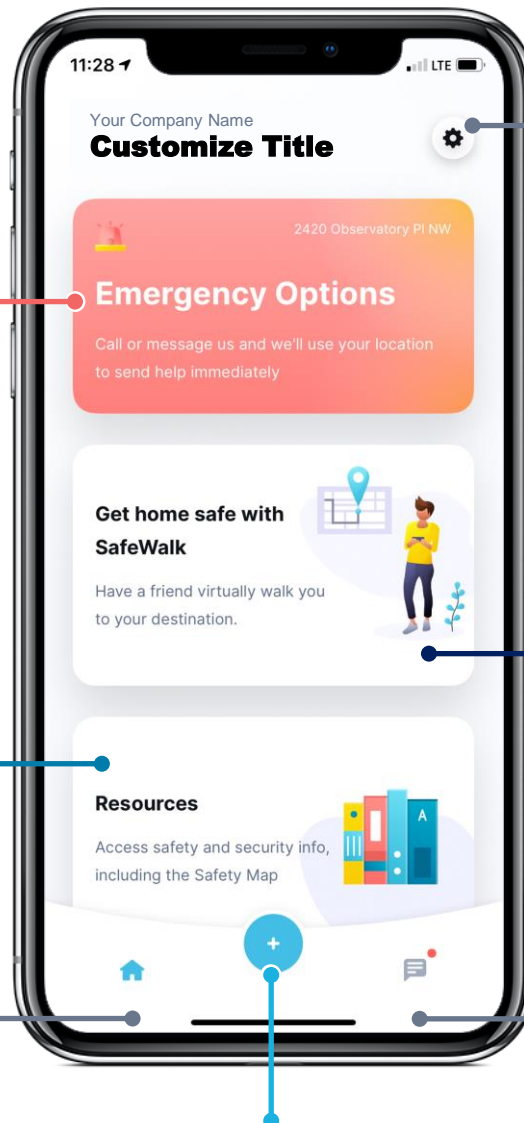

Communicate with local emergency services and your organization's safety officials – no matter where you are.

Access Information and Emergency Procedures

View important information from your organization, like emergency procedures and community resources.

Tab Navigation: Home

See an overview of LiveSafe resources and updates from your organization.

Settings

Access profile settings, manage your organizations, and get app help.

SafeWalk

Invite friends to virtually walk you to your destination.

Submit Tips to Safety & Security

When you see something suspicious, share that info with your organization's safety and security team.

Tab Navigation: Activity

Access broadcast messages, check-ins, and chat conversations.

Get the Vector LiveSafe App

1. Download Vector LiveSafe from the App Store or Google Play or using the QR code
2. Register and complete your profile
3. Search for and select your organization

Know the Difference

Between “joking around” or “just kidding” and harassment.

**We’ve all heard it before – “take it easy, it was a joke” or “you need to lighten up.”
Harassment isn’t funny. It is a crime.**

Use the Vector LiveSafe Mobile App to report any concerns or incidents of harassment, anonymously if you choose. The Vector LiveSafe App can help you or someone you know get the support and resources needed.

Get the App:

1. Download Vector LiveSafe from the App Store or Google Play or using the QR code
2. Register and complete your profile
3. Search for and select your organization

It Threatens All of Us

Anyone can be a victim of workplace violence and harassment. Everyone has a right to a safe and secure working environment.

Workplace violence and harassment does not discriminate – anyone can be a victim.

No matter your age, gender, sex, race, ethnicity, religion, or sexual orientation, no one should face violence or harassment on the job.

Use the Vector LiveSafe Mobile App to report any incidents or concerns of workplace violence or harassment, anonymously if you choose. The Vector LiveSafe App will get the information to the right people so they can respond appropriately.

Get the App:

1. Download Vector LiveSafe from the App Store or Google Play or using the QR code
2. Register and complete your profile
